Technologies

HTML, CSS, Sass, Javascript, React.js

Education

New Zealand Certificate in Information Technology (Level 5) Open Polytechnic March 2022

Work Experience

Migration Manager Vodafone NZ

November 2019 - On going

Key Responsibilities

Help and work with customers to get them online

Prevent issues in the migration from old customer accounts to new customer accounts

Achievements

Created and advocated for a customer-centric and company-mindful process for contacting customers

Using the process reduced accounts needing attention from over 1500 to under 300
